PRODUCT ADVANTAGES

CAPRILAIT AGNOLAIT is a food with high nutritional value. It allows to obtain the best growth performances (speed and conformation) and perfectly homogeneous batches in the best digestibility conditions for the animal.

Rich in skimmed milk powder

A milk powder pasteurized at low temperature (low heat) to guarantee the integrity of proteins and thus ensure optimal coagulation (fast and firm) in the rennet-stomach

Prebiotics promote better regulation of the intestinal flora

Essential trace elements for calves' growth. Its natural form allows a better bioavailability (absorption and assimilation)

100% vegetable oil
